

IL Route 111 - 35+ Mile Yard Sale, Fri & Sat, June 5-6, 2026

12th Annual Fundraiser looking for Vendors!

From Brighton on IL Route 111 and 35+ miles north through Macoupin County, communities hold town-wide yard sales the first Friday and Saturday in June. This year all funds collected in fees and donations will be given to The Macoupin Center for the Developmentally Disabled (MCDD) located in Carlinville. Well over 100 registered sales on the route from Brighton, Medora & Summerville, Chesterfield, Hettick, Palmyra and Modesto on to Waverly at Route 104, are expected again this year. People from as far away as Peoria to the St. Louis area have come to pick from the wide variety of merchandise offered by the vendors. Food trucks are invited to register and set up along the route. Most sales begin at 8:00 a.m. on Friday and Saturday through 4:00 p.m. unless otherwise listed.

Registration fees are only \$5 per family at residential sales in the towns along the route, and out-of-towners can register and set up for \$15 at community parks or, with permission, at other public spaces. Registration forms can be printed from the Facebook group, "Route 111 35+ Mile Yard Sale". Please observe the firm registration deadline of May 23. The vendors list will be posted on Facebook about a week prior, and copies can be obtained at local banks, gas stations and municipal offices.
