Questions: What is a Basic Life Skills Program?

School curriculum which offers youth the emotional, social and intellectual tools needed to achieve success in life including basic job skills. The instructor specializes in helping individuals with learning or physical disabilities develop skills for independent living.

What skills do students learn?

Household, automotive, time management, money management, social emotional learning, communication skills, employment, self-care, medical & wellness, problem solving

Why should I pay to register my yard sale?

- All fees are divided between the 4 school districts along the IL 111 route to provide supplies and learning opportunities for the students.
- Get your location on the map.
- Use the Facebook page to post pictures and information.

Join the **Route 111 35+ Mile Yard Sale Facebook group** for more information. Those registered will be able to post pictures and information about your sale after the May 15 deadline
